# general Membership meeting

Dear LVSSC Members,

The Holiday Season has come and gone. The December snow storm we had was quite an event for us Las Vegans. It took me an hour and a half to get home from work; a trip that usually takes twenty minutes. The last time we experienced such a "blizzard" was in 1974. Two to four inches may hardly be noticeable in most ski terrains but to us in the desert, that amount was problematic due to the lack of snow plows. Still, the event was refreshing and fun. Schools had a snow day.

The Holiday Party at the Italian American Club was fun. The food was abundant and delicious. The music invited dancing. The company was even better. We all had so much fun. I would like to thank Phyllis Silvaggio and Pat Park for making that party possible. I am also grateful to Michael Barrett for the countless hours he devotes to keeping our financial records in order. As always, I look forward reading the monthly newsletters made possible by Jim Boyd and Pete Peterson.

**HAPPY  
NEW  
YEAR**

I cannot believe that January has arrived. Have we made our resolutions for the New Year? What shall we include on our list? Should we do more exercises to keep our bodies tuned? Should we devote a few minutes each day to relax and have pleasant thoughts? Should we call a friend whom we have not seen for months or years? Should we donate to someone in need? I will try to come up with at least two or three resolutions for myself. How about you?

Don't forget to sign up for our ski trips, hikes, tennis nights, golf outings, TGIF, and the Caribbean Connoisseurs' Cruise in October.

Always looking forward to seeing all of you,  
Rosette Mare, *Programs Director*

**PS- Please note the Board decided to experiment with having the monthly membership meeting at the Captain's Cove every month on the 4th Friday of the month in conjunction with a TGIF. Please let the Board members know how you like this new format. JB**

## — FIRST NOTICE —

# Elections of Directors

The annual election for the Board of Directors of the Las Vegas Ski and Sports Club will take place at the General Membership meeting in March 2009. This is an important event, so mark your calendars and watch the newsletter for more information.

Have you ever thought of helping out the club as one of the leaders? How about as an assistant? Maybe you have experience from other clubs as an officer or director. Now would be the ideal time to contact a board member and express your interest. We are always looking for members to help. Training is provided.

We welcome all comments and questions. The board is here to serve YOU, the membership.

Don't forget that several trips are still open. Ogden is accepting signups through Jan 8 for a fantastic trip.

Let me take this opportunity to wish everyone a happy and healthy New Year.

# Gray Cap Peak Red Rock Canyon

Trail & hike rated: Difficult

Approx 6 miles - round trip – 4-6 hours

Total elevation gain is about  
200 feet to the 5,400 ft peak.

**When:** Saturday, January 10, 2009  
(weather permitting)

**When/Where to Meet:** 8:30 am Starbucks on the corner of  
Town Center and Charleston Blvd. in Summerlin.

**What to Bring:** Plenty of water, snacks, camera (awesome  
view of Calico Basin and Turtlehead Peak), a pair of good  
vibram sole hiking boots; comfortable hiking clothes and  
gloves. Ladies, leave your manicure at home, you are not  
going to need it on this hike.

**After the Hike:** For those that want to, we will stop and  
have a mid-day snack and beverage when we get back in  
the Valley.

**Contact:** Contact Valerie Ward at 326-5167 or by email at  
ward828@yahoo.com or Dianna Harris at 604-8824.

**Overview:** This out-and-back route will start from  
Sandstone Quarry and proceed around the north end of  
the Calico Hills before descending into Gateway Canyon to  
the base of the peak. After hiking up Gateway Canyon, the  
route will be a scramble (this is the difficult part!) over  
sandstone formations to the peak.

There is a big difference between a hike and rock  
scramble/bouldering. Hiking is walking in the mountains.  
Rock scrambling is low level climbing normally without  
ropes. When hiking you rarely, if ever, use your hands. You  
are constantly using your hands when rock scrambling,  
And at about the one mile mark, it's all Class 2 (possibly  
Class 3 at points) rock scrambling and bouldering until you  
reach the peak.

For those of us who do not know what the class ranking of  
scrambling entails, here is a brief description of each level:  
Class 1 – simple hike Class 2 - hiking over rough terrain.

Hands are used for  
balance only. Class  
3 - using arms and  
legs to climb low-  
angled rock. Some  
exposure; most  
don't use ropes.  
Class 4 - climbing  
using arms and legs.  
Exposure is  
significant; most use  
ropes. Class 5 -  
technical rock  
climbing. Ropes and  
harnesses are  
required.

*Val poses with an  
example of the type  
of terrain that this  
hike experiences.*

*T*hanks to everyone who attended the Christmas Party. Special thanks go out to The Italian American Club and our DJ, "Nicky" from Dance the Night Away for making our Christmas Party so much fun. The food was wonderful (and plentiful), the music GREAT!

*Nicky made sure we all joined in and had a good time--some more than others. We shall never forget how well John plays a fiddle with a knife and a spoon!! And of course, thank you ladies for your rendition of "New York, New York". . . looking at those legs are two unofficial judges who shall remain nameless (Mark & Pete)!*

*A few lucky people received gift cards, compliments of the Ski Club. We hope you all enjoy redeeming them. We are already planning next year's party--make sure you can attend! Next year's party will be even better.*

*Happy New Year to one and all. May our ski trips, golfing outings, hikes, and other activities be memorable and safe for all.*

*Thank you-  
Phyllis Silvaggio*

## Insurance Waiver Changes

Changes are a sign of the times. Our liability, waiver of claims and indemnity agreement has been updated. The impact for our members will require that before we participate in a LVSSC sponsored activity, we will be required to sign the new waiver. This will require Trip Leaders to have the waiver signed by participants before the bus leaves, airplane flies – you get the idea. While this currently places an extra burden on our Trip Leaders, next year we will have the updated form when renewing our memberships. So be appreciative & help our Trip Leaders and those who sponsor activities by signing the new waiver so the skiing & such can begin.
