# General Membership meeting

Dear LVSSC Members,

We had a great time at the January 23rd General Membership Meeting and TGIF. Many members attended, drank wine and soda, enjoyed so many delicious snacks provided by Captain's Cove. Believe it or not, it is already time to plan our warm weather activities. We thank our members who returned the survey asking for their input as to which activities they would like to do and where. The results are as follow:

**Eleven suggested camping:** Zion, Mt. Charleston, Bryce Canyon, Big Bear, Yellowstone, Death Valley, Bryce, Grand Canyon.

**Nine suggested hiking:** Great Basin, Zion, Red Rock, Mt. Whetarey, local places, Mt. Charleston, the Lake,

**Six suggested golf:** any place is good. Mesquite, Pahrump. Vegas.

**Four suggested whitewater rafting:** Kern River, California.

**Four suggested horseback riding:** Sage Brush Ranch.

**Six suggested bicycle riding:** cross town with stops at bars.

**Five suggested canoeing:** river combined with camping or hiking.

**Four suggested kayaking:** Lake Mohave, Lake Mead.

**Three suggested fishing:** Independence Creek near Death Valley camp ground.

**Four chose dancing class:** line dance lessons, Stony Santa Fe, Las Vegas

**Ten chose wine tasting:** wine trips to Las Vegas, Napa, Oregon, Washington.

**Four chose tennis on Thursday nights:** Bally's and beginners group lessons.

Thank you so much for your input and please rest assured that we are going to do our best to include as many chosen activities as possible.

*Meanwhile, there is still time to sign up for our ski trips to Keystone, Tahoe, and Brianhead. Do not be left out of our Caribbean Connoisseurs' Cruise in October.*

I wish you a wonderful Valentine's Day and I look forward to seeing all of you.

## — SECOND NOTICE —

# Elections of Directors

The annual election for the Board of Directors of the Las Vegas Ski and Sports Club will take place at the General Membership meeting in March 2009. This is an important event, so mark your calendars and watch the newsletter for more information.

Have you ever thought of helping out the club as one of the leaders? How about as an assistant? Maybe you have experience from other clubs as an officer or director. Now would be the ideal time to contact a board member and express your interest. We are always looking for members to help. Training is provided.

We welcome all comments and questions. The board is here to serve YOU, the membership.

Don't forget that several trips still have a few openings. Tahoe has an opening for 1 female. Remember Feb. 14th is Valentine's Day. Make it the best ever!

Mark McNeil  
President LVSSC

## On the Rocks

On a pluperfect January morning under impossibly blue skies, the gang of 11 trudged up the vertiginous Five-Stop Hill. Destination: The mile-high Gray Cap Peak in the Red Rocks.

An hour into the hike, single-track trail gave way to multi-hued sandstone. The real work started here. Up we went through the rocks. Brilliant red sandstone slowly morphed into blinding white, finally giving way to battleship gray limestone—the summit. Gray Cap!

Lunch on the peak was delightful. The hard part's over with, easy trek back down, right? Fuhgetaboutit. An exploratory descent sounded a bit more challenging, so off we stumbled into the abyss.

Things got interesting quickly as the gang carefully negotiated the tricky down-climb, diligently moving from one cairn to the next. Two hours later, after many a precarious situation where doubt sometimes crept into the equation, the dicey descent was in the books.

One final climb to the crest of Gateway Canyon, where we caught the glint of cars at the trailhead a mile away. Mission accomplished. Hoorah! It was time to muster at JB's Brew Pub for an obligatory glass of suds and some chow.

A special ski club thank you to Red Rocks impresario Don Caldwell, not only for his guiding expertise, but also for shepherding the crew through the tough spots on the taxing descent.

Main cast: Hike Director Valerie Ward, El Presidente Mark McNeil, Janice Barrow, Kristina Sorenson, Nancy Nelson, Kurt Luthy, Rich Yost, Don Caldwell and the author.

Supporting cast: Dan Merck and Nancy Mulder, accompanied by Bella.

# OGDEN, UT

## Snow Basin & Powder Mountain

Once again, nature was kind to the 28 participants who traveled to Ogden, Utah. While fresh powder would have been nice, very few of us found bare spots on Powder Mountain and Snow Basin ski areas.

I especially want to thank Leo, our bus driver, for the outstanding job of getting us to and from our destinations in spite of my feeble attempts at directions. Mad Max Puffer was there to save the day on several occasions.

Kurt attempted to show affection to a lovely pine tree and got slapped for his efforts.

Dinner Saturday and Sunday nights were made all the more enjoyable with a great cast of characters led by Karen and Kurt who kept everyone laughing. Karen even pitched in to help our server, a very nice guy, keep the drinks and food coming.

I highly recommend the Timbermine restaurant in Ogden. The collection of curios and memorabilia will keep you busy admiring them for hours. The food and spirits are also worth the trip.

### SNOW SKI HELMETS

Who would have thunk! Accidents have happened this ski season to members, while not permanent injuries, an inch or two more, an even uglier story may have occurred. Even those who don't ski the "steep" and the "deep", unexpected events or unsafe behavior by others of course-can make your day skiing really suck!

Helmets need to be worn by everyone, not just snow boarders, or to make a fashion statement. Helmets add a "safety" element to your enjoyment of skiing and snow boarding. Take your time in choosing the right one. Don't let cost, color, or pattern be the deciding factor. As with any piece of equipment, comfort is most important. The number of accessories available for helmets is growing, so join the multitude and be safer.

## Insurance Waiver Changes

Changes are a sign of the times. Our liability, waiver of claims and indemnity agreement has been updated. The impact for our members will require that before we participate in a LVSSC sponsored activity, we will be required to sign the new waiver. This will require Trip Leaders to have the waiver signed by participants before the bus leaves, airplane flies – you get the idea. While this currently places an extra burden on our Trip Leaders, next year we will have the updated form when renewing our memberships. So be appreciative & help our Trip Leaders and those who sponsor activities by signing the new waiver so the skiing & such can begin.
