Harney Middle School Donations

At the January 24th TGIF, Kathy Stevens, made a presentation about the Ski and Snowboard Club at the Harney Middle School, which is located in the Sunrise Mountain area. Kathy teaches World Geography and is in charge of the club.

This is an after school program for the Harney kids, but it is open to other schools if they are interested. The kids meet weekly after school and learn the basics of skiing/snowboard safety and techniques. The Las Vegas Ski Resort at Mt. Charleston hosts the kids once a month. The equipment and lift tickets are donated. Kathy said they would also like to make a trip to Brian Head or another near by location, but transportation is a problem.

Prior to the TGIF, Michael Barrett sent out an email requesting that members bring clothing and accessory donations. The response was very good and we were able to donate several jackets, ski pants, gloves, hats, etc. They cannot accept ski/snowboard type equipment due to liability concerns. Charlie Steele volunteered to give a slide show and talk about skiing at one of their meetings. Thanks to all of you who donated items and your time.

We are planning to continue to work with Kathy, so if you have items to donate give me a call and I will arrange with Kathy to deliver them. Also, they need chaperones to accompany the kids to Mt. Charleston. **Their next scheduled event is February 22, 2014.** They can only go on the weekends. If you are interested in help our club with this effort, please contact me.
