AWESOME!!!

General Membership Meeting

Wow!!, August trip night was, by all accounts, quite a trip! It was great to see such an impressive turn out. The anticipation and excitement was deafening at times. If you weren't able to make the August kick-off, don't despair. The trips that did not sell-out will be available at the September membership meeting, as well as the TGIF's. You can find out more information about the trips that are still available throughout this month's newsletter.

Now that you are really pumped up and ready to hit the slopes, what shall we do to pass the time until the snow arrives? Susan Thomason from Awesome Adventure Guide has some great suggestions. Her company specializes in unique and exceptional outdoor activities in and around the Las Vegas area, including horseback riding, ATV tours, watercraft and mountain bike tours and Mt. Zion adventures. Please join us Wednesday, September 19 and discover all of the great opportunities there are to enjoy the great outdoors before the first snowflake falls.

Newsletter Policy Change: By vote of the LVSSC BOD, effective with the September 2007 issue, the LVSSC newsletter will no longer be mailed to any members. The BOD noted that since the newsletter is available on the Website and can be printed out from the website by anyone who desires a print copy, the costs associated with printing and mailing the copies to those few members who have requested a print copy was no longer a cost effective use of members' dues money.

Director's Column

A Change in Presidents, But Not in Philosophy

The club and Board of Directors reluctantly said goodbye to Dave and Orena Barry last month. I want to personally thank Dave for all his hard work and dedication that went into making the Las Vegas Ski and Sports club the best in the West. During his tenure as President, the membership grew to over 230. I plan to continue to work to increase the membership and expand the activities that our club offers, to keep it the best ski and sports club it can be.

I also wish to thank Vice-President Jim Boyd for a great job filling in as President while waiting for a volunteer to fill the president's position. Your Board of Directors continues to work hard in the membership's behalf to make improvements where necessary. We welcome everyone's input and ideas.

The summer kick-off pool party was a rousing success, thanks in large part to the tireless efforts of Pat Park and Gary Wattenburger, with the able assistance of several other members, making the event so enjoyable for the 50 plus that attended.

The August 15th "Trip Night" membership meeting was a big success. Many of the trips are selling out fast, so don't wait to sign up. It is shaping up to be a great ski season.

Finally, I want to say "Thanks" to the membership for supporting the TGIFs. It is a great opportunity to show visitors and guests what a fun group we are. It is also important to have members from each of the activities (golf, tennis, hiking, skiing/snowboarding, etc) to explain to possible new members the who, what, where, why, and when.

Mark McNeil
LVSSC President

Thank
You!

HATS, HATS AND MORE HATS

All of you that missed the Summer Kick-Off party missed a good time. We had a parade of hats and the ones that didn't go to any trouble or creativity were still good sports and wore their baseball, golf or panamas. There were about 15 in our finale' and they paraded around the pool to music, oh so proud of their creations. We gave prizes for prettiest, ugliest and best all around "Creativity". John Mason's was by far the best fishing pole, lures and all. The prizes were dinner for two at some of our favorite local restaurants and a \$25 gift certificate for gas. (Auto fuel that is)

We had so much food that we think everyone was stuffed. We would like to thank all of you that brought food. It wasn't just something they picked up at the last minute, most of you brought good home made food and other delicious delights. The comments were "the food was some of the best we've ever had". We had desserts, desserts and more desserts.

The weather had cooled off that weekend and with the pool, the fan and the misters the weather was quite pleasant.

We would like to thank all of you who helped set up, clean up and the one's that helped me hostess on site. There are far too many to mention. It made our jobs much easier except for the few that stayed until 1am...but that's okay we had a ball.

Thanks Again
Pat & Gary

Salt Lake City

December 6TH to 9TH

Trip Price is: **\$179.00**

This trip will be a carbon copy of the well-received trip we did the last 3 years. We have available to us the 4 Ski Areas that are tucked away in both Little Cottonwood and Big Cottonwood Canyons right on the outskirts of Salt Lake City. These are Snowbird, Alta, Solitude and Brighton. A little further away are 3 more areas, that our members have expressed an interest in, which include Canyons, Park City, and Deer Valley. Still further down the road, but within reach is Snow Basin, which was one of the main Olympic venues for the 2002 Games. We won't decide exactly where we are going to ski till we get there. That way everyone gets a say and we can look at such things as weather, snow conditions, etc. Since this is a Carpool trip we will have multiple vehicles there and we can divide up and go to multiple areas if that is what the participants want. Nothing is set in stone.

What is included:

- 3 Nights Lodging at the Days Inn (based on dbl. occupancy) These are clean, spacious hotel rooms each equipped with a small refrigerator, microwave, coffee maker, hair dryer & iron.
- Transportation - Las Vegas to/from Salt Lake City (Transportation will be by Carpool. Gas cost is included in the trip price.) Note: The drivers/vehicle providers will have their part of the gas covered by the remaining trip participants as a part of the \$179.00 trip price. This means their trip price will be reduced by about \$50.00.
- Transportation to and from the Ski Areas Remember we carpoled so we have multiple vehicles to get us to the Ski Areas, Restaurants, Stores, Micro-breweries, etc. (Gas was budgeted for this in the trip price.)
- Club Dinner

Deposit Schedule:

Initial Deposit: \$100.00 due at the Aug. Club Meeting
Final Payment: \$79.00 due before Nov. 15, 2006

Membership in the Las Vegas Ski & Sports Club is required at the time of signup for the trip.

Trip Talk....

Kathy Arrington, Trip Director

What a GREAT turn-out we had for Trip Night for the upcoming ski season!!

If you were not able to attend Trip Night you missed a really fun and informative evening! Each of the Trip Leaders presented his/her trip for sale. Before and after the presentations, deposits were taken for the trips. Several of the trips were almost sold out by the end of the evening.

There are several short and inexpensive trips for you skiers who do not have the time for a week-long trip. The bus trips are a great way for newcomers to the Club to meet other members.

The trips will be offered for sale at each of the TGIF's and Membership meetings, but don't wait—please contact the trip leaders for the trips you would like to go on and make your deposit as soon as you can!! Read the flyers and trip calendar for details and the trip leader to contact. The trips are great values and offer some very exciting destinations.

I know some of you think you can wait until the last minute to sign up, but I promise you these trips will fill up fast and you will miss out!! The initial deposits have been made by the Trip Leaders and it is very difficult, if not impossible, to make additions once the trip is sold.

I CANNOT EMPHASIZE ENOUGH HOW IMPORTANT IT IS THAT YOU RESERVE YOUR SPOTS NOW!!

Bristlecone Trail Hike

The day promised to be a warm one. After all, it is August in Las Vegas. Thirteen brave and hearty souls decided it was a perfect day to explore the flora and fauna of Lee Canyon on this six-mile loop trail. After a brief pep rally in the parking lot of the McDonalds, we loaded our wagons and headed north toward our rendezvous point at the service road near McWilliams Campground. The Lucky 13 was taking this challenge from the bottom up to the ski resort. Thankfully much cooler at this elevation, and with a slight breeze to keep us motivated, we climbed with relative ease toward the junction with the Bonanza Trail. There we gathered under the boughs of large evergreen to catch our breath. With the apex of our climb in sight and a fresh supply of oxygen in our lungs, we pushed forward. Finally, there was an audible "Woohoo" as we reached the summit and began our decent into the stands of aspens and bristlecone pines for which this trail was named. We took a well deserved snack break on a rock cropping that overlooked the canyon below. The rest of the walk down was effortless and smooth. As we reached the end of the trail, we encountered a couple on their way up. After the initial "you look familiar" looks, warm hellos and conservation followed. These were fellow club members on their afternoon stroll to escape the heat of the city. We said our goodbyes and marched toward the parking lot where our cars were located. The journey was complete. Only one last thing to do...CELEBRATE! Eight of the 13 gathered at a watering hole near Ann and Tenaya appropriately called "The Lodge" to relive and recover from this wonderful adventure. The September club hike will take us up to Cathedral Rock in Kyle Canyon. Hope to see you there.

Overview: This is a moderate, 1.5-mile hike to the top of Cathedral Rock, a rocky promontory with great views overlooking Kyle Canyon. It winds through thick patches of Aspen and evergreens. The trail follows an old road up an avalanche chute along the east side of Cathedral Rock to a saddle behind the summit. From there, the trail climbs a few short switchbacks to the summit. The views from the summit are spectacular: you can see straight down to the picnic area and the lodge, and you can see off to the other peaks in the area, including Mt. Charleston, Mummy Mountain, Mary Jane Falls and the Sheep Range.

51s Baseball Outing

(Read to the tune of 'Take Me Out To The Ball Game')

Club members went out to the ball game. We bought peanuts and popcorn. We didn't care if we ever got back. We rooted and rooted for the home team. It surely would have been a shame if they had lost!

Saturday, July 28th, 18 club members met at Cashman Field to watch Las Vegas' local team take on the Round Rocks (Houston Astros Affiliate). At the beginning of the game our club was recognized as a group in attendance. It became a close game with the 51's winning with a score of 5-4. All in attendance had a great time watching the game despite the humid hot temperature.
