

Lake Powell Houseboat Trip

Join the Las Vegas Ski and Sports Club for a fun-filled five day, four night adventure
September 24th-28th, 2019!!

If you have never been to Lake Powell before, prepare to experience an unforgettable and breathtaking week on the most scenic lake in the Western USA. Lake Powell features incredible slot canyons with dramatic red and sandstone cliffs rising vertically as high as 500 feet. We will navigate to Rainbow Bridge, a natural 300 foot arch that is accessible only by water, and enjoy a hike up the canyon. We will be renting two houseboats and possibly a party barge. You will have the option of cruising the lake aboard a fully provisioned, 59 foot, air conditioned houseboat that sleeps 12, including two showers. Personal watercraft available.

Every afternoon, we will find a beach area to park the boats and in the evening, we will enjoy nightly cocktails and dinner with a theme party to follow. After hours, members will set up their mattresses/ sleeping bags on the upper deck or beach to sleep under the stars. If we are lucky and there is a full moon, the eerie shadows on the canyon walls are awesome!

NOTE: Skinny dipping has been known to occur on these trips, so remember, what happens at Lake Powell, stays at Lake Powell.

RESERVE YOUR SPACE NOW!!!

Prices are as follows from the information as of today:

\$620 per person for those wishing to be on the houseboats

\$450 per person for the beach camping

\$200 deposit required by October 15th, \$200 by November 15th, and remaining balance by December 15th. We are required to pay all monies on the first week of January 2019. First come, first served of boat and sleeping arrangements. No refunds or changes will be made after January 1st, 2019.

We need to have a pilot and alternate for each houseboat, total of six from our group. They will be given instructions on handling the boats. Everyone is expected to cook and clean.

A sign-up sheet will be organized to have for breakfast and dinner.
