You MUST be a member of Las Vegas Ski Club to go on the trip

Things to do near our Hotel:

Next to the Hampton Inn is Jordan's Landing, a large shopping and Restaurant area. There is everything from upscale Restaurants to fast food places, plus some nice bars, a Movie theater, and a Comedy club for evening entertainment.

Going to the SLC downtown area can be done, although there no shuttles available from our hotel. Lift and Uber are probably the best options if you want to visit downtown Salt Lake City .

If you would like to look at what's available at Jordan's Landing the site is <https://jordan-landing.com/> or for downtown <https://www.visitsaltlake.com/things-to-do/>.

Ski Areas and passes:

The Ski areas we plan to visit are Alta, Solitude, and Snowbird. If we decide to visit Brighton, Liftoptia has a \$19.00 senior rate (65 +) for 24 Jan.

https://www.liftoptia.com/brighton/brighton-super-day-lift-ticket-open-to-close?type=1&start_date=2020-02-25

Ikon passes can be used at all three and cross-country and/or snowshoeing are also available at Alta and Solitude for a fee. There are other places to snowshoe in the area, but you would have to find your own transportation since our bus will only be going to the ski areas mentioned above.

There is no shuttle service provided by the Hampton Inn to downtown SLC nor to the ski areas.
