Pahrump Area Dining and Activities:

Although we do not have a scheduled group dinner or wine tasting as part of the LVSSC Weekend Package, what follows is a list of activities you may want to try.

One of our club members, Judi Susemihl, has volunteered to be a point of contact for members who want to arrange dinner reservations, take wine tasting tours, or any of the other activities. If you contact her, she will put you in contact with other members of our group who want to participate in the same activity, so you all can work out your own arrangements/make your own reservations together. After all, the more the merrier.

For assistance, contact Judi at: PH (702) 285-2561
